Description

Joseph
Every day

We wish to share the life of Joseph, step by step, each day, with all the practical lessons we derive from it for our own life. The Bible, with its many examples, is our guide for daily life: Joseph is such an example.

The contents of this book is a study which appeared earlier in the monthly Hanoë Makandra (Hands Together) in Surinam.

Joseph's everyday life was a journey with God. Throughout all the ups and downs. Despite his youth, he held onto God's standards. It was a life that endured much suffering, but which had a happy ending.

Joseph was an example of the Lord Jesus, who also had to go through sufferings to become the Saviour of the World.

An interesting and instructive biography.

182 pages – Softcover - Author: G. H. Elbers
