Description

“There is no other name under heaven given among men by which we must be saved.” Acts 4:12

“At the name of Jesus ever knee should bow, in heaven and on earth.” Philippians 2:10

The Lord Jesus Christ is the Center of the Church. Today many believers gather and meet in the name of men, movements and creeds. Yet Scripture teaches that there is a Divine Ground of gathering, a Divine Center and a Divine Leader there with Divine Authority.

Every sincere believer who seeks to return to New Testament principles and practices will want to read this important book about the heart of the Church of the Living God.
