Description

The Apostle Paul was aware that false teachers were attempting to influence the young believers at Thessalonica. As the servant whom the Lord used to lead them to faith in the Lord Jesus, he wanted them, "not to be soon shaken in mind or troubled." He wanted them to "stand firm and hold fast the instructions" which they were taught whether by word or letter from him. What the Apostle Paul said to these young Christians for their edification and encouragement, will also help us in these last days. You will find these meditations easy to read even if English is not your first language
