Description

Paul Palmer has selected a verse from each chapter of John's Gospel and shares some thoughts on them, while not making this book a detailed commentary.

In the Epilogue, He gives a brief overview of the whole Gospel. "John's Gospel is so full of truth that I wanted to tie some of them together and it is my prayer that you will search all 879 verses" 'And there are also many other things that Jesus did, which if they were written one by one, I suppose that even the world itself could not contain the books that would be written' (John 21;25).
