Description

The subject of Jude is the coming apostasy in which men will turn the grace of God into a licence for sin.
Jude's stern but faithful prophetic warning to Christians is "to contend for the faith which was once delivered unto the saints." H. L. Heijkoop's brief commentary is both simple and profound.
There are not a lot of good commentaries available on the Book of Jude. This reprint will be a welcome addition to any Bible student's library.
