Description

It's great to know that you have decided to follow Jesus! You have asked God to forgive your sins, and you have believed that Jesus Christ is the only way to heaven. That's exactly what a Christian is.

The Bible promises that "whoever calls on the name of the Lord shall be saved" (Romans 10:13). You can believe that God always keeps His promises. Now that you are starting to walk on the Christian pathway, you will have the chance to find out all the ways God will help you to live.

This booklet talks about ten important things for new Christians to learn about. They are not the only important things you will learn as a Christian! As you understand these lessons, God will help you with all the other things you need to know, too.
