Description

Author's note I have written this little book on "Responding to hurts and injuries" not because I am an authority on the subject, but rather as a layman who has experienced deep hurt, and who took an interest in the subject by seeking answers from the Word of God.

I have shared with you, what I have gathered, and which has been of help to me, and hope that you too might may find help and freedom in forgiving those who have hurt you.

The breakdown in human relationships goes way back to the beginning of history; and it all started with the breakdown in our relationship with God.

Maybe you have unresolved hurts. You find yourself shut up in a prison of resentment, and unforgiveness.

Release comes when you discover that the key that opens the door to your emotional freedom is forgiveness.

If this book points you in that direction, all glory be to God.
