Description

What's a Zangle? A Zangle is 2 or more cards that make the shape on another card. You can twist, flip or spin your cards to find the best angle to make your Zangle. Be the first player to use all your cards to win! Try all 3 ways to play. Turn-Style – relaxed, conversation-friendly way to play. Each turn take your time to find your best Zangle. Speedster – Boost your adrenaline and show your skills. With no turns, race to find Zangles before your opponents. Solitaire – a fun personal challenge sure to keep your brain kicking and heart ticking. Zangle is easy to learn and engages all ages.

- Created by the inventor of SET, The Family Game of Visual Perception
- A game of brain-twisting shape-building fun
- Simple yet challenging game of visual perception
- 3 ways to play: Turn-Style, Speedster and Solitaire
- Engages all ages from 6 to 106
- number of players: 1-6
