Description

Have you ever gotten a blank, signed check on payday? I haven't, but it would be nice to write your own check, wouldn't it? On my paychecks, and probably on yours, the amount is already filled in. but we still look forward to each payday. A check that we wouldn't want? Yes, there are wages that I think none of us would like to earn if we had a choice – “the wages of sin is death” (Romans 6:23). Have you ever thought about the end result of your sin? God says that for sinning, we earn wages, and the payment of those wages is not in money, but death. No one is exempt from these wages, “for all have sinned, and come short of the glory of God” (Romans 3:23). Is death then the end? No, it is not. God's Word says, “It is appointed unto men once to die, but after this the judgment” (Hebrews 9:27). For those who are not saved, this will be their payday of God's holy wrath. The payment will be everlasting punishment. In hell, “the fire that never shall be quenched” (Mark 9:43) Remember the check I mentioned before that we don't have to work for? God has written such a check. It can pay for your salvation. It is not a blank check, though. It is already make out for a priceless amount - the price of your soul. SOLD IN SETS OF 100
